CRYSTAL POP!

LA TRASPARENZA È DI MODA

Crystal Pop è la nuova nata della famiglia Pop! e ne condivide l'attitudine fashion oltre che i dettagli e le caratteristiche tecniche.

Il "tocco in più" è la trasparenza che attraverso un gioco di finestrature e la luce interna rendono Crystal pop bellissima sia di giorno che di notte.

TRANSPARENCY IS FASHION

Crystal Pop is the newest member of the Pop! family and shares its fashion attitude as well as its details and technical features.

The "extra touch" is the transparency that makes Crystal Pop beautiful both day and night through a play of windows and internal light.

LA TRANSPARENCE EST À LA MODE

Crystal Pop est le dernier membre de la famille Pop! et partage son attitude mode ainsi que ses détails et caractéristiques techniques.

La "touche supplémentaire" est la transparence qui, par un jeu de fenêtres et de lumière intérieure, rend Crystal Pop magnifique de jour comme de nuit.

Day & Night
